

ATTESTATION

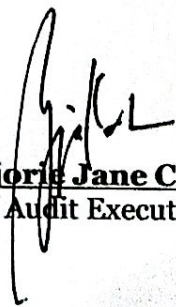

We, the undersigned Chief Executive Officer and Chief Audit Executive of Cebu Landmasters, Inc. ("CLI" or the "Company"), do hereby attest that for the year ending 31 December 2020, the Company has a sound internal audit, control and compliance system in place and working effectively.

- CLI's Board of Directors oversees that an appropriate and effective internal control system is in place, including proper mechanism for monitoring and managing potential conflict of interest.
- CLI's Board of Directors, through its Audit Committee, has oversight responsibility over CLI's financial reporting process, system of internal control, internal and external audit processes, and monitoring of compliance with applicable laws, rules, and regulations.
- CLI, through its I.T. Department, has a governance process on information technology (IT) issues including disruption, cyber security, and disaster recovery, and ensure that all key risks are identified, managed, and reported to the Board.
- CLI's Internal Audit Head, serving as the *ex officio* Chief Audit Executive, oversees and is responsible for the internal audit activity of CLI.
- CLI's Internal Audit Department maintains a "Quality Assurance and Improvement Program", which includes an evaluation of the Internal Audit's conformance and adherence to the Institute of Internal Auditors' Code of Ethics.
- The CLI Board ensures the proper and efficient implementation and monitoring of compliance with CLI's Code of Business Conduct and Ethics, in adherence to laws, regulations, and Company policies.
